REF: 2006 BLUE LANTERN GUIDEBOOK

[¶1](#). This is an Action Request. See paragraphs 2-4.

[¶2](#). The Department's Office of Defense Trade Controls Compliance (PM/DTCC) requests Embassy's assistance in conducting a post-shipment check on license 050109596 for the export of accelerometers to the Czech Republic. Embassy is requested to complete this Blue Lantern check within 45 days. Lack of response to a Blue Lantern check will affect pending and future licenses involving parties to this license.

[¶3](#). Reason for request: Sensitive technology, accelerometers.

[¶4](#). ACTION: Embassy is requested to make inquiries with appropriate Aero Vodochody officials to determine if it received the accelerometers and that the articles are being used on the L-159 Light Combat Aircraft. Export data indicates the items exited the U.S. on August 21, 2008. Aero POC is David Jirman, Manager, TEL: 420-255-76-3149, reference Purchase Order # 200705525/OZVO dated November 20, 2007. The following questions are offered as suggested guidance with Aero:

- Can Aero provide documentation from the Czech Air Force/MOD (e.g. purchase order, contract, or letter of intent) establishing it as the final end user of these items?
- Does the company understand the restrictions on United States Munitions List (USML) articles, particularly regarding re-export and retransfer?
- What is the company's exact role in these transactions?
- Who are the company's main clients?

End Action.
